

Boat Wash

Neutral Boat-shampoo

page 1 of 1

Boat Wash is a pH-neutral cleaning concentrate. The combination of anionic and non-ionic surfactants enables gentle and thorough cleaning of surfaces such as hulls, decks and cockpits. Previously applied waxes and sealants are preserved.

Areas of use

For regular and neutral cleaning of gelcoats, paints and plastic surfaces on board, e.g. hull and deck, metal, glass, teak decks and artificial teak deck alternatives

Recommendations for use

For hand washing, dilute 1:100 to 1:150 with water. Clean the boat with a sponge and then rinse thoroughly with water. If possible, dry with the Pro Drying Towel to avoid water stains.

Container

Container	Item no.
1 L	519001
10 L	519010

pH-value: 9

Warnings

Only use on washable surfaces. Do not allow to dry. Check for suitability and compatibility before use. Do not use on hot surfaces. Wear safety glasses during application.
